Chitty Chitty Bang Bang

THE SUPPORTING CAST
61 EASTERN AVENUE
BALLSTON SPA, NY 12020

There are over 60 kids from the Ballston Spa School District participating in the BARC Youth Theatre Company production of Chitty Chitty Bang Bang. They've been rehearsing since early June and the energy and excitement of the group is amazing! Songs have been learned, lines memorized, costumes are being fitted and sewn, and sets are under construction. We're now asking community members to help make this show an outstanding event by making a donation in whatever amount is affordable. Donations will go directly to the costs of this production, including costume materials, lumber and paint for sets, and printing costs for the program and tickets.

Thank you for your donation to the
SUPPORTING CAST
And helping to insure a continuing summer theatre program
In the Ballston Spa community.

Checks should be made payable to: **BARC**
